

# HINTS DATA USERS CONFERENCE

15 YEARS OF HINTS: LESSONS LEARNED & FUTURE DIRECTIONS

## POSTER LIST

### 1. HINTS to the Future: A Sneak Peek at the 2019 HINTS Web Pilot

*Andrew Caporaso, MS, Westat; Hanyu Sun, PhD, Westat; Terisa Davis, MPH, Westat; David Cantor, PhD, Westat; Richard Moser, PhD, NCI; Gordon Willis, PhD, NCI; Kelly D. Blake, ScD, NCI;*  
Presenting author: Andrew Caporaso, [andrewcaporaso@westat.com](mailto:andrewcaporaso@westat.com)

### 2. Measuring Contributions of HINTS Datasets in Scholarly Communication Using Bibliometric Analysis

*JungWon Yoon, PhD, University of South Florida; EunKyung Chung, PhD, Ewha Womans University (Seoul, South Korea); Jae Yun Lee, PhD, Myungji University (Seoul, South Korea); Jihyun Kim, PhD, Ewha Womans University (Seoul, South Korea)* Presenting Author: JungWon Yoon, [jyoon@usf.edu](mailto:jyoon@usf.edu)

### 3. A Content Analysis of Health Communication Research To Address Cancer Health Disparities in Vulnerable and Underserved Populations

*Finie Richardson, MPH, Howard University; Carolyn Stroman, PhD, Howard University*  
Presenting author: Finie Richardson, [fkhunter@howard.edu](mailto:fkhunter@howard.edu)

### 4. A Systematic Review of Published HINTS Research: What Have We Learned?

*Katherine Hyatt Hawkins, MA, George Mason University; Ayo Otusanya, MA, George Mason University*  
Presenting author: Katherine Hyatt Hawkins, [khyattha@gmu.edu](mailto:khyattha@gmu.edu)

### 5. Exploring Health Information Sharing from a Communication Privacy Management Perspective Using HINTS Data

*Katherine Hyatt Hawkins, MA, George Mason University*  
Presenting author: Katherine Hyatt Hawkins, [khyattha@gmu.edu](mailto:khyattha@gmu.edu)

### 6. Access in the Digital Field and Health Outcomes: Impact of eHealth behaviors

*Elizabeth Withers, MS, Portland State University*  
Presenting author: Elizabeth Withers, [elizabew@pdx.edu](mailto:elizabew@pdx.edu)

### 7. Using HINTS Data to Explore Caregivers' Consumer Health Technology Capability and Decision-Making Patterns

*Hyeyoung Hah, PhD, Florida International University*  
Presenting author: Hyeyoung Hah, [hhah@fiu.edu](mailto:hhah@fiu.edu)

## **8. Health Cognitions and Knowledge as Predictors of Mobile Health Application Ownership**

*Malwina Tuman, MS, Stony Brook University; Anne Moyer, PhD, Stony Brook University*  
Presenting author: Malwina Tuman, [malwina.tuman@stonybrook.edu](mailto:malwina.tuman@stonybrook.edu)

## **9. Smartphones and Tablets: Underused Tools for Tracking Health-Related Goals**

*Evan Kuo, Communications High School; Yen-Hong Kuo, PhD, Hackensack Meridian Health*  
Presenting author: Evan Kuo, [ek.evankuo@gmail.com](mailto:ek.evankuo@gmail.com)

## **10. Device Ownership and Health App Use among People with a History of Hypertension: A Cross-Sectional Study of Participants in the 2017 Health Information National Trends Survey (HINTS)**

*Aisha Langford, PhD, NYU School of Medicine; Craig Solid, PhD, Solid Research Group, LLC; Azizi Seixas, PhD, NYU School of Medicine*  
Presenting author: Aisha Langford, [aisha.langford@nyumc.org](mailto:aisha.langford@nyumc.org)

## **11. Patient-Provider Communication and Sociodemographic Factors Are Associated with Watching Health-Related Videos on YouTube**

*Aisha Langford, PhD, NYU Langone Health; Stacy Loeb, MD, MSc, NYU Langone Health*  
Presenting author: Aisha Langford, [aisha.langford@nyulangone.org](mailto:aisha.langford@nyulangone.org)

## **12. Understanding the Use of Electronics to Seek Personal Health Information Among Adults in the United States**

*Noara Alhousseini, Loma Linda University; Jim E Banta, PhD, MPH, Loma Linda University; Jisoo Oh, DrPH, MPH, Loma Linda University; Sussane B Montgomery, PhD, MPH, MS, Loma Linda University*  
Presenting author: Noara Alhousseini, [nalhousseini@llu.edu](mailto:nalhousseini@llu.edu)

## **13. Differences in the Use of Health-Related Internet Resources between Informal Caregivers of Adults or Children: An Analysis of the Health Information National Trends (HINTS) Survey**

*Carol Y. Ochoa, MPH, University of Southern California; Kimberly A. Miller, PhD, University of Southern California*  
Presenting author: Carol Y. Ochoa, [caroloch@usc.edu](mailto:caroloch@usc.edu)

## **14. Factor Structure of Health Information Seeking Behaviors by Cancer Diagnosis Status**

*Nianyang Wang, MS, University of Maryland; Wenhan Guo, MS, University of Maryland*  
Presenting author: Nianyang Wang, [nianyangwang1995@gmail.com](mailto:nianyangwang1995@gmail.com)

**15. Racial Disparities in Health Information Seeking and Trust: A Health Information National Trends Survey Analysis**

*Naleef Fareed, PhD, CATALYST - The Ohio State University; Christine M. Swoboda, PhD, MS, CATALYST - The Ohio State University; Daniel M. Walker, PhD, MPH, CATALYST - The Ohio State University; Timothy R. Huerta, PhD, MS, CATALYST - The Ohio State University*  
Presenting author: Naleef Fareed, [naleef.fareed@osumc.edu](mailto:naleef.fareed@osumc.edu)

**16. Understanding the Gendered Acculturation Effect of Online Health Information Seeking on Immigrants' Genetic Testing Awareness in the United States**

*Arti A. Nadkarni, MA, Texas A&M University*  
Presenting author: Arti A. Nadkarni, [artinadkarni4@gmail.com](mailto:artinadkarni4@gmail.com)

**17. Association between Electronic Communication and Perceived Quality of Healthcare**

*Kristin G. Maki, PhD, University of Texas MD Anderson Cancer Center*  
Presenting author: Kristin G. Maki, [kristinmaki1@gmail.com](mailto:kristinmaki1@gmail.com)

**18. Why I Talk to my Doctor: The Moderated Mediation Model of Social Media Use and Provider-Patient Communication**

*Wei Peng, MA, University of Miami; Qian Huang, MA, University of Miami*  
Presenting author: Wei Peng, [wxp124@miami.edu](mailto:wxp124@miami.edu)

**19. Towards Health Equity: Deaf Adults' Engagement in Social e-Health Activities and e-Communication with Health Care Providers**

*Poorna Kushalnagar, PhD, Gallaudet University; Claire Ryan, University of Texas at Austin*  
Presenting author: Claire Ryan, [claire.ryan@utexas.edu](mailto:claire.ryan@utexas.edu)

**20. Examining the Predictors of Access to Online Medical Records: Findings from the HINTS Survey**

*Zhaomeng Niu, PhD, Rutgers Cancer Institute of New Jersey; David Jeong, PhD, Northeastern University; Jerod Stapleton, PhD, Rutgers Cancer Institute of New Jersey; Elliot Coups, PhD, Rutgers Cancer Institute of New Jersey*  
Presenting author: Zhaomeng Niu, [zhaomeng.niu@rutgers.edu](mailto:zhaomeng.niu@rutgers.edu)

**21. Linking Social Media Use and Doctor-patient Communication with Health Literacy: Findings of HPV Vaccine Perceptions from the HINTS Survey**

*Zhaomeng Niu, PhD, Rutgers Cancer Institute of New Jersey; David Jeong, PhD, Northeastern University; Jerod Stapleton, PhD, Rutgers Cancer Institute of New Jersey; Elliot Coups, PhD, Rutgers Cancer Institute of New Jersey*  
Presenting author: Zhaomeng Niu, [zhaomeng.niu@rutgers.edu](mailto:zhaomeng.niu@rutgers.edu)

**22. Provider-Patient Communication and HPV Knowledge: Data from the Health Information National Trends Survey (HINTS)**

*Camille A. Fonseca, MPH, Emory University School of Medicine; Chan L. Thai, PhD, Santa Clara University; Joan K. Monin, PhD, Yale School of Public Health; Richard P. Moser, PhD, National Cancer Institute; Kelly D. Blake, ScD, National Cancer Institute*  
Presenting author: Camille A. Fonseca, [cafonse@emory.edu](mailto:cafonse@emory.edu)

**23. Management of HPV Knowledge Associated with Information Trust: The Interacting Role of Physician-Patient Communication**

*Daesung Ha, PhD, Marshall University; Doohee Lee, PhD, Marshall University*  
Presenting author: Daesung Ha, [ha@marshall.edu](mailto:ha@marshall.edu)

**24. Who is Getting a Recommendation for the HPV Vaccine?**

*Shillpa Naavaal, DDS, Virginia Commonwealth University*  
Presenting author: Shillpa Naavaal, [naavaals@vcu.edu](mailto:naavaals@vcu.edu)

**25. HINTS Studies Concerning the Human Papillomavirus: A Systematic Literature Review and Analysis**

*Brittany L. Rosen, PhD, University of Cincinnati; Skye McDonald, MS, University of Cincinnati; Jodi L. Wilson, University of Cincinnati; Gary L. Kreps, PhD, George Mason University*  
Presenting author: Gary L. Kreps, [gkreps@gmu.edu](mailto:gkreps@gmu.edu)

**26. Public Awareness that HPV is a Risk Factor for Various Types of Cancer**

*Jae Eun Chung, PhD, Howard University*  
Presenting author: Jae Eun Chung, [jaeeun.chung@howard.edu](mailto:jaeeun.chung@howard.edu)

**27. Determinants of HPV Awareness and Knowledge of HPV Associated Cancers**

*Robel Tesfay, BS, National Cancer Institute - Center for Global Health; Richard Moser, PhD, National Cancer Institute*  
Presenting author: Robel Tesfay, [Robeltesfay.tesfay@nih.gov](mailto:Robeltesfay.tesfay@nih.gov)

**28. Differences in Human Papillomavirus Virus (HPV) Knowledge and Awareness: Comparing Self, Surrogate, and Mutual Health Information Seekers**

*Lourdes S. Martinez, PhD, San Diego State University; Jenna E. Reno, PhD, University of Colorado Denver; Bonnie E. Deal, San Diego State University*  
Presenting author: Lourdes S. Martinez, [lsmartinez@sdsu.edu](mailto:lsmartinez@sdsu.edu)

**29. Sociodemographic Characteristics and Awareness of HPV and HPV Vaccine: 2018 HINTS**

*Hee-Soon Juon, PhD, Thomas Jefferson University; Heejun Kim, PhD, Towson University; Kuang Yi Wen, PhD, Thomas Jefferson University*  
Presenting author: Hee-Soon Juon, [hee-soon.juon@jefferson.edu](mailto:hee-soon.juon@jefferson.edu)

### **30. Using HINTS to Assess Knowledge of HPV in Local Populations**

*Lila J. Finney Rutten, PhD, Mayo Clinic; Carmen Radecki Breitkopf, PhD, Mayo Clinic; Kristin J Harden, MPH, Mayo Clinic; Patrick M Wilson, MPH, Mayo Clinic; Susanna N. Basappa, BS, Mayo Clinic; Kathy L MacLaughlin, MD, Mayo Clinic; Gloria M. Petersen, PhD, Mayo Clinic; Robert M Jacobson, MD, Mayo Clinic*  
Presenting author: Lila J. Finney Rutten, [rutten.lila@mayo.edu](mailto:rutten.lila@mayo.edu)

### **31. Urban-Rural Differences in Perceptions about Cancer Prevention in Three U.S. Regions**

*Kristin J. Harden, MPH, Mayo Clinic; Carmen Radecki Breitkopf, PhD, Mayo Clinic; Gloria M Peterson, PhD, Mayo Clinic; Joseph W. Furst, MD, Mayo Clinic; Sean M. Phelan, PhD, Mayo Clinic; Lila J. Finney Rutten, PhD, Mayo Clinic*  
Presenting author: Lila J. Finney Rutten, [rutten.lila@mayo.edu](mailto:rutten.lila@mayo.edu)

### **32. Comparing Cancer Center Catchment Area Data from Hybrid Sampling Designs with National HINTS Estimates**

*Davia Moyse, MA, ICF; Yangyang Deng, MS, ICF; Ronaldo Iachan, PhD, ICF; Lewis Berman, PhD, ICF; Audie Atienza, PhD, ICF; Tonja Kyle, MS, ICF*  
Presenting author: Ronaldo Iachan, [Ronaldo.Iachan@icf.com](mailto:Ronaldo.Iachan@icf.com)

### **33. Digital Divide in the US Pacific: Distinctive Health Information Seeking Behaviors among Three Pacific Islander Populations in Hawaii.**

*Hye-ryeon Lee, PhD, University of Hawaii at Manoa; Kevin Cassel, DrPH, University of Hawaii Cancer Center; Ian Pagano, PhD, University of Hawaii Cancer Center; Lilnabeth Somera, PhD, University of Guam; Grazyna Badowski, PhD, University of Guam*  
Presenting author: Hye-ryeon Lee, [hveryeon@hawaii.edu](mailto:hveryeon@hawaii.edu)

### **34. Cancer Information Seeking Across Four Categories of an Urban/Rural Continuum: The Intersection of Place, Race, and Health in Rural America**

*Gilberto Lopez, DSc, University of Rochester School of Medicine and Dentistry; Heather Mattie, PhD, Harvard T.H. Chan School of Public Health*  
Presenting author: Heather Mattie, [hemattie@hsph.harvard.edu](mailto:hemattie@hsph.harvard.edu)

### **35. Replicating HINTS Sample Selection and Mailing Protocol in a Population Health Assessment of Appalachian Kentucky**

*Robin C. Vanderpool, DrPH, University of Kentucky Markey Cancer Center; Bin Huang, DrPH, University of Kentucky Markey Cancer Center; Quan Chen, DrPH, University of Kentucky Markey Cancer Center; Meghan F. Johnson, MPH, University of Kentucky Markey Cancer Center*  
Presenting author: Robin C. Vanderpool, [robin@kcr.uky.edu](mailto:robin@kcr.uky.edu)

### **36. No differences Found in Lung Cancer Screening and Awareness among Appalachians Compared to Non-Appalachians**

*Minal Patel, PhD, Truth Initiative; Kelly Blake, ScD, National Cancer Institute; Robin Vanderpool, DrPH, University of Kentucky*  
Presenting author: Minal Patel, [Mpatel@truthinitiative.org](mailto:Mpatel@truthinitiative.org)

**37. Demographic and Clinical Factors Associated with Participation in Lung Cancer Screening Discussion with Provider in the General Population: Results from Health Information And National Trends Survey**

*Dejana Braithwaite, PhD, Georgetown University; Shailesh Advani, PhD, National Human Genome Research Institute; Dongyu Zhang, MD, Georgetown University*  
Presenting author: Shailesh Advani, [shailesh.advani@nih.gov](mailto:shailesh.advani@nih.gov)

**38. Information Seeking, Tobacco Products Use and Beliefs of Addictiveness and Harmfulness of Electronic Cigarettes Use among Adult U.S Population**

*Abdullah M. Alanazi, MSc, The University of Alabama at Birmingham; Eric Ford, PhD, The University of Alabama at Birmingham*  
Presenting author: Abdullah M. Alanazi, [alanazi@uab.edu](mailto:alanazi@uab.edu)

**39. Nicotine and Addiction Beliefs by Foreign-Born Status: Pooled Analysis of HINTS-FDA 2015 and HINTS-FDA 2017**

*Anh Nguyen Zarndt, PhD, Food and Drug Administration; Xiaoquan Zhao, PhD, Food and Drug Administration / George Mason University; Leah Hoffman, MPH, Food and Drug Administration; Aura Lee Morse, MPH, Food and Drug Administration; Janine Delahanty, PhD, Food and Drug Administration*  
Presenting author: Anh Nguyen Zarndt, [Anh.Zarndt@fda.hhs.gov](mailto:Anh.Zarndt@fda.hhs.gov)

**40. Population Prevalence and Predictors of Self-Reported Exposure to Court-Ordered, Tobacco-Related Corrective Statements**

*Kelly D. Blake, DSc, National Cancer Institute; Gordon Willis, PhD, National Cancer Institute; Annette R. Kaufman, PhD, MPH, National Cancer Institute*  
Presenting author: Kelly D. Blake, [kelly.blake@nih.gov](mailto:kelly.blake@nih.gov)

**41. Public Perceptions of E-Cigarette Harm: A Need for Greater Clarity**

*Elise Bui, PhD, Fors Marsh Group; Claire Constance, MPH, Fors Marsh Group*  
Presenting author: Elise Bui, [ebui@forsmarshgroup.com](mailto:ebui@forsmarshgroup.com)

**42. Is Online Health Information Seeking Behavior Associated with Lower Perceived Harmfulness of E-Cigarettes? Findings from HINTS 5 Cycle 1**

*Qinghua Yang, PhD, Texas Christian University*  
Presenting author: Qinghua Yang, [q.yang@tcu.edu](mailto:q.yang@tcu.edu)

**43. Does Age Predict Trust in Sources of E-Cigarette and Tobacco Information? Findings from the 2017 HINTS-FDA**

*Archana Krishnan, PhD, University at Albany - State University of New York; Kelly Tirpak, BS, University at Albany - State University of New York; Xin Zhou, MA, University at Albany - State University of New York*  
Presenting author: Archana Krishnan, [akrishnan@albany.edu](mailto:akrishnan@albany.edu)

#### **44. Association between Marital Status and Cigarette Smoking: Variation by Race and Ethnicity**

*Michael Ramsey Jr., National Institute on Minority Health and Health Disparities; Julia Cen Chen-Sankey, PhD, National Institute on Minority Health and Health Disparities; Kelvin Choi, PhD, National Institute on Minority Health and Health Disparities*

Presenting author: Julia Cen Chen-Sankey, [Julia.chen-Sankey@nih.gov](mailto:Julia.chen-Sankey@nih.gov)

#### **45. The Association between Cancer Risk Perception and Cigarette-Smoking & Physical Activity Behaviors in a Nationally Representative Sample of Adults**

*Godfred Osei Antwi, MS, Indiana University Bloomington; David K. Lohrmann, PhD, Indiana University Bloomington*

Presenting author: Godfred Osei Antwi, [gantwi@umail.iu.edu](mailto:gantwi@umail.iu.edu)

#### **46. The Effects of Caregiver Status on Mental Health: An Analysis of the 2017 Health Information National Trends Survey Data**

*Christine Skubisz, PhD, University of Delaware; Lindsey Vita, University of Delaware; Sabrina Noboa, University of Delaware; Ashley Steinbrecher, University of Delaware; Melissa Learish, University of Delaware*

Presenting author: Christine Skubisz, [skubisz@udel.edu](mailto:skubisz@udel.edu)

#### **47. Healthcare Utilization Does Not Differ Between Informal Caregivers and Non-Caregivers: An Analysis of the Health Information National Trends Survey 5 (HINTS 5)**

*Kelly Shaffer, PhD, University of Virginia School of Medicine; Chandysten Nightingale, PhD, Wake Forest School of Medicine*

Presenting author: Kelly Shaffer, [kellymshaffer@gmail.com](mailto:kellymshaffer@gmail.com)

#### **48. Associations of Instrumental Support with Health Outcomes and Self-Efficacy in Adults Serving as Caregivers**

*Erin E. Kent, PhD, National Cancer Institute / ICF; Michelle A. Mollica, PhD, National Cancer Institute; Roxanne E. Jensen, PhD, National Cancer Institute; Ashley Wilder Smith, PhD, National Cancer Institute*

Contact: Erin E. Kent, [Erin.Kent@nih.gov](mailto:Erin.Kent@nih.gov)

#### **49. Training Needs and Preferences of Informal Caregivers**

*Michelle A. Mollica, PhD, National Cancer Institute; Erin E. Kent, PhD, National Cancer Institute / ICF*

Contact: Michelle A. Mollica, [michelle.mollica@nih.gov](mailto:michelle.mollica@nih.gov)

#### **50. Alcohol Use Among Cancer Survivors**

*Raimee Eck, National Cancer Institute; Kara Wiseman, PhD, MPH, National Cancer Institute; Tanya Agurs-Collins, PhD, MPH, National Cancer Institute; David Berrigan, PhD, MPH, National Cancer Institute; William Klein, PhD, National Cancer Institute*

Presenting author: Raimee Eck, [raimee.eck@nih.gov](mailto:raimee.eck@nih.gov)

## 51. Deficiencies in Knowledge of the Link between Alcohol and Cancer

*Andrew B. Seidenberg, MPH, University of North Carolina at Chapel Hill*  
Presenting author: Andrew B. Seidenberg, [aseiden@live.unc.edu](mailto:aseiden@live.unc.edu)

## 52. Differential Communication of Alcohol's Effects in Healthcare Settings: Liver Disease and Weight Gain

*Wasantha Jayawardene, MD, Indiana University Bloomington; Jon Agle, PhD, Indiana University Bloomington*  
Presenting author: Wasantha Jayawardene, [wajayawa@indiana.edu](mailto:wajayawa@indiana.edu)

## 53. Adjusted Differences in Nutrition and Exercise Behaviors between Asian and Other Immigrants

*Wasantha Jayawardene, PhD, Indiana University - Bloomington; Jon Agle, PhD, MPH, Indiana University- Bloomington*  
Presenting author: Wasantha Jayawardene, [wajayawa@indiana.edu](mailto:wajayawa@indiana.edu)

## 54. Noticing, Understanding, and Using Menu Calorie Information In the U.S. Population: Preliminary Results from the 2018 Health Information National Trends Survey (HINTS)

*Camella Rising, PhD, RDN, National Cancer Institute; April Oh, PhD, MPH, National Cancer Institute*  
Presenting author: Camella Rising, [camella.rising@nih.gov](mailto:camella.rising@nih.gov)

## 55. Perception of Weight Status and Health Condition in Obese Adults

*Yen-Hong Kuo, PhD, Hackensack Meridian Health*  
Presenting author: Yen-Hong Kuo, [yenhong.kuo@gmail.com](mailto:yenhong.kuo@gmail.com)

## 56. Sociodemographic Factors Correlated with Health-Related Internet Usage among Survivors of Adult Onset Cancers in the United States

*Stacy N. Davis, PhD, Rutgers University; Asa Dewan, MS, Rutgers University; Dena M. O'Malley, PhD, Rutgers University; Ashley Rodgers, MBS, Rutgers University; Grace Fletcher, Rutgers University; Pamela Ohman-Strickland, PhD, Rutgers University; Shawna V. Hudson, PhD, Rutgers University*  
Presenting author: Stacy N. Davis, [stacy.davis@rutgers.edu](mailto:stacy.davis@rutgers.edu)

## 57. Likelihood of Smoking among Cancer Survivors: An Updated HINTS Analysis

*Christine M. Swoboda, PhD, CATALYST - The Ohio State University; Daniel M. Walker, PhD, MPH, CATALYST - The Ohio State University; Timothy R. Huerta, PhD, MS, CATALYST - The Ohio State University*  
Presenting author: Christine M. Swoboda, [christine.swoboda@osumc.edu](mailto:christine.swoboda@osumc.edu)

## 58. Trends in Patient-centered Communication and Quality of Care for Cancer Survivors

*Christine Swoboda, CATALYST – The Ohio State University, Naleef Fareed PhD, MBA, CATALYST – The Ohio State University; Daniel M. Walker, MPH, PhD, CATALYST – The Ohio State University; Timothy Huerta, MS, PhD, CATALYST – The Ohio State University*  
Presenting author: Timothy Huerta, [timothy.huerta@osumc.edu](mailto:timothy.huerta@osumc.edu)

## 59. Knowledge of and Beliefs about Palliative Care in a Nationally-Representative U.S. Sample

*Jennifer Taber, PhD, Kent State University; Erin M. Ellis, MPH, PhD, Office of Disease Prevention, National Institutes of Health; Maija Reblin, PhD, Moffitt Cancer Center; Lee Ellington, PhD, University of Utah; Rebecca A. Ferrer, PhD, National Cancer Institute,*  
Presenting author: Jennifer Taber, [jtaber1@kent.edu](mailto:jtaber1@kent.edu)

## 60. Health Literacy, Social Support and Self-Efficacy among the Elderly: Evidence from HINTS-2017

*Zhong (John) Zheng, MA, University of South Florida*  
Presenting author: Zhong (John) Zheng, [zheng1@mail.usf.edu](mailto:zheng1@mail.usf.edu)

## 61. Analyzing Social Support and eHealth Literacy as Predictors of Health among Older Adults

*Fiona Chew, PhD, Syracuse University; Ruochen Jiang, MS, Science University of Virginia*  
Presenting author: Fiona Chew, [cmrfchew@syr.edu](mailto:cmrfchew@syr.edu)

## 62. Cancer Risk Perception and Screening Behaviors Among US-Born and Foreign-Born Hispanics – Health Information National Trends Survey Analysis.

*Ashly C. Westrick, MPH, University of Miami; Jordan Baeker Bispo, MPH, University of Miami; Erin Kobetz, PhD, MPH, University of Miami*  
Presenting author: Ashly C. Westrick, [acw107@miami.edu](mailto:acw107@miami.edu)

## 63. African Americans' Communication about Family Cancer History: Findings from the 2018 Health Information National Trends Survey

*Diane B. Francis, PhD, University of Kentucky*  
Presenting author: Diane B. Francis, [diane.francis@uky.edu](mailto:diane.francis@uky.edu)

## 64. Racial Differences in Health Care Service Use among US adults

*Wenhan Guo, MS, University of Maryland; Nianyang Wang, MS, University of Maryland*  
Presenting author: Wenhan Guo, [wg2300@caa.columbia.edu](mailto:wg2300@caa.columbia.edu)

## 65. Perception of Harm from Indoor and Outdoor Air Pollution: Results from the Health Information National Trends Survey

*Samantha Ammons, BA, National Cancer Institute; Hayley Aja, MPH, National Cancer Institute; Armen A. Ghazarian, PhD, National Cancer Institute; Gary L. Ellison, PhD, National Cancer Institute*  
Presenting author: Samantha Ammons, [samantha.ammons@nih.gov](mailto:samantha.ammons@nih.gov)

## 66. Preparing and Analyzing HINTS Data in R

*Wen Song, MS, ICF; Davia Moyse, MA, ICF*  
Presenting author: Davia Moyse, [davia.moyse@icf.com](mailto:davia.moyse@icf.com)
